HIPAA Update for Hospice

This product is available only as an e-manual. The purchase price of HIPAA Update for Hospice includes electronic updates through 2012.

The HIPAA privacy and security regulations are likely to change over the next few years as a result of the HITECH Act. Order your copy today to be certain you have the most up-to-date resources and information for compliance with the HIPAA privacy and security regulations.

For more information and the Table of Contents, go to www.weatherbeeresources.com/hipaa.html

CoPs in a Book: The Final Edition

An in-depth explanation of the new regulations with a focus on what you need to know and what you need to do.

Hospice Policies and Procedures

Available in separate volumes that may be purchased individually or all three, organized in accordance with NHPCO's 10 components of quality – Administration, Patient Care and Human Resources.

Hospice Regulatory Policies and Procedures

Designed for those hospices that don't need all new policies and procedures but want to be certain they have the policies they need to comply with the new CoPs and other regulations with which hospices must comply.

The QAPI Requirement: Resources for Hospice Programs

by Melanie Merriman, Heather Wilson and Martha Tecca. This manual is a foundational QAPI resource that explains the QAPI CoP and standards and provides direction for developing your hospice's QAPI program.

60-90 Day Benefit Calculators

Easy to use 60 and 90 day benefit calculators available in either a two-sided sheet or wheel. These calculators make calculating benefit periods easy and fast, and most importantly, accurate. Leap Year Supplement sent separately at no charge or available as link on website.

LCD Guidelines Pocket Pal

This Pocket Pal is based on published LCD guidelines available from NGS and Cahaba. Please check your MAC/RHHI for changes.
